

March 23, 1976

PRESIDENT: Senator Marvel.

SENATOR MARVEL: Okay, the only amendments up there as I understand are two committee amendments. I think that the procedure is Vince, that I ask unanimous consent that the first committee amendment be withdrawn?

CLERK: You can do it two ways. A motion to reject would get rid of them or you can amend them with this and adopt them as amended.

SENATOR MARVEL: Okay, I'll move the second...I make a motion that the second committee amendment be adopted. Do you got it there, can you read it?

CLERK: In lieu of the committee amendment insert the following. (read).

SENATOR MARVEL: Alright, I move that that amendment be adopted and I'll explain it. Originally, the committee took out \$200,000 cash from the Department of Revenue and after another discussion with the Department of Revenue we reinstated this amount. So, what we are saying is that if you adopt the amendment as proposed, that the Department of Revenue keeps the \$200,000 that we originally cut out. We are talking about cash. I renew my motion Mr. President, I renew my motion to adopt the committee amendment as read by the Clerk.

PRESIDENT: Any further discussion? The question then is the adoption of Senator Marvel's amendment to LB883. Record your vote. Record.

CLERK: 25 ayes.

PRESIDENT: The amendment to the amendment is adopted. Senator Marvel.

SENATOR MARVEL: I now move the amendment as amended be adopted.

PRESIDENT: Any discussion of that motion? Record your vote. Record.

CLERK: 26 ayes, Mr. President.

PRESIDENT: The amendment is adopted.

SENATOR MARVEL: Now, Mr. President on a motion to advance 883 as amended to E & R initial, I would like to make a few remarks. This bill is simply an increase in cash and revolving funds for the following departments. We have already talked about the Department of Corrections, Department of Banking the increase is roughly \$20,000; increase in the cash fund. The Department of Insurance increase \$27,000. The Barbers Examiners operation increase it \$3,000. I have already talked about the Department of Revenue, the State Fire Marshalls office increase in cash of \$82,275 and the Crime Commission increase \$38,000 cash. That is what 883 does.

PRESIDENT: Senator Duis.
